

How to Extract Machine ID

Step 1: Go to the Control Centre

The screenshot shows the NINJATRADER software interface. At the top, there is a menu bar with options: New, Tools, Workspaces, Connections, Help, and Chat. Below the menu bar is a table with the following columns: Connection, Display name, Buying power, Cash value, Excess intraday margin, Excess initial margin, Intraday margin, Initial margin, Net liquidation, Gross realized PnL, Realized PnL, Unrealized PnL, and Total PnL. The table contains one row of data for a connection named Tradovate with a display name of Sim101. All numerical values in the table are \$ 0.00. At the bottom of the interface, there is a navigation bar with tabs for Orders, Executions, Strategies, Positions, Accounts (which is currently selected), Log, and Messages.

Connection	Display name	Buying power	Cash value	Excess intraday margin	Excess initial margin	Intraday margin	Initial margin	Net liquidation	Gross realized PnL	Realized PnL	Unrealized PnL	Total PnL

Step 3: Go to 3rd Party Licensing

The screenshot shows the NINJATRADER software interface. The top menu bar includes 'New', 'Tools', 'Workspaces', 'Connections', 'Help', and 'Chat'. The 'Help' menu is open, displaying options such as 'Resources', 'Help Guide', 'Video Guides', 'Email Support...', 'Remote Support...', 'Download', 'Apps & Add-Ons', 'Live Events', '3rd Party Licensing...', and 'About...'. The '3rd Party Licensing...' option is highlighted. Below the menu, a table displays account information for 'Tradovate' (Sim101). The table has columns for 'Connection', 'Display name', 'Buying power', 'Cash value', 'Excess intraday margin', 'margin', 'Initial margin', 'Net liquidation', 'Gross realized PnL', 'Realized PnL', 'Unrealized PnL', and 'Total PnL'. The 'Buying power', 'Cash value', and 'Excess intraday margin' columns show '\$ 0.00'. The 'margin' column shows 'F1'. The 'Initial margin', 'Net liquidation', 'Gross realized PnL', 'Realized PnL', 'Unrealized PnL', and 'Total PnL' columns all show '\$ 0.00'. At the bottom of the interface, there are tabs for 'Orders', 'Executions', 'Strategies', 'Positions', 'Accounts', 'Log', and 'Messages'. The 'Accounts' tab is active. The Windows taskbar at the bottom shows the system tray with weather (23°C Sunny), search, and various application icons. The system clock indicates 13:12 on 04-09-2024.
